Dedication

The Redwood 1961 looks to the future and honors those men who plan the development of the University. With the growth of the Santa Clara Valley and the opening of co-education, a comprehensive blueprint for the next fifteen years has been projected. In 1976, Mission Santa Clara will be on the eve of its second centennial while the University will have reached its one hundred and twenty-fifth milestone. Balancing the Federal survey of the area with other known data, the University expects to double its present size in the period.

This "Mission '76" expansion calls for an investment in excess of eleven million dollars in buildings alone. This past year has seen the dedication of the first of these new buildings—the George L. Sullivan Engineering Center. Two more—the new five story Residence Hall and the Student Center and Commons—are under construction. Next on schedule are a new library, an annex to the School of Law and one to the Alumni Science Hall. A gymnasium and a theatre-arts building are also in the plans, plus further housing for married students. Artist sketches of several of these buildings appear throughout the Redwood.

"Mission '76" is a bold adventure. We salute Father President with his Board of Trustees and Regents as well as the Alumni who will translate this vision into reality for the Broncos of today and tomorrow.

Golden Jubilee

Rev. Hugh C. Donavon, S.J.

The Associated Students honor four men of the Faculty on the occasion of anniversaries marked by this year 1961. Father Hugh C. Donavon and Father John P. O'Connell celebrate Golden Jubilees in the Society of Jesus. Dr. Edwin A. Beilharz and Dr. Joseph F. Deck are congratulated on completing twenty-five years of service to the University.

Father Donavon entered the Society of Jesus in 1911, taught here as a scholastic and returned as a young priest in 1929. Besides teaching Theology continuously these past thirty-two years, he also served as University Chaplain and Alumni Director for many many years.

Father O'Connell is another of our confirmed Broncos. He entered the Jesuit Order two months after Father Donavon and was ordained in 1925. Except for short assignments at Jesuit Houses in Los Angeles and at Bellarmine Prep in San Jose, he has spent his whole priestly life at the University of Santa Clara. For more than a decade he was Vice President for Student Affairs and Moderator of Dramatics. He also was a member of the Department of English. For the past six years he has been counselor for the sophomores.

Rev. John P. O'Connell, S.J.

Silver Jubilee

Dr. Beilharz is a familiar figure to Arts students and especially to history majors. Chairman of the Department of History, he received his B.A. in 1931 from The Creighton University of Omaha and his M.A. from the University of Nebraska, and began his teaching career at Santa Clara in 1936. He was awarded his doctorate from the University of California in 1951. Besides being an avid student of California history, Dr. Beilharz is also the Director of the Division of Social Studies in the College of Arts and Sciences.

Edwin A. Beilharz, Ph.D.

Joseph F. Deck, Ph.D.

Stalking the chemistry labs in white coat, his briar pipe jutting from clenched teeth, Dr. Deck is another fervent worker for the cause of knowledge. He took his basic degrees from St. Louis University and his doctorate from the University of Kansas in 1932. This zealous professor has invested his time and wisdom in the students of the University continuously since 1936.

Today's Broncos know they are echoing the gratitude of thousands of alumni in honoring these four men for their long and generous labor.

Class of '61

While Cuba fell and Laos tottered, while Gagarin and Shepard blazed trails in the sky, the gregarious Class of 1961 completed a year marked by monumental achievements on every level of life. With an elan so inconceivable, its history is unrecordable, this noble class, its dervish-like energy saddled by President Capriola, began the year with a Barn Dance that Red Foley envied.

Intoxicated by the success of what was a modest undertaking, the class exploded in a burst of vivacity, an ardor for achievement, a quest for an immortal record that resulted in the raising of Club '61 in the basement of McLaughlin Hall — a monument that will still be standing when the inner dome of heaven falls. St. Patrick's Day saw the Club inaugurated with a party the likes of which was never seen before and will never be seen again.

The capstone of the class career was the Senior Ball. Alexander had parties, Nero had parties. Louis Quatorze had parties. Forget those shy efforts. The Senior Ball replaced them all. Sic itur ad astra. Vive le bagatelle.

The national publication "Who's Who Among Students in American Universities" honored twenty-eight members of the Class of '61. Published to give recognition to graduating seniors throughout the nation who have proved themselves outstanding academically and in extra-curricular activities, these students were recommended by the Executive Committee of the ASUSC and were approved by the Vice President for Student Affairs, the Academic Vice President and the University Chaplain. The winners receive a biographical listing in the Who's Who Book and Certificates of Merit for their contribution to the University.

Class of '62

The Class of '62 looks on this year with satisfaction and pride. Never a class of extremes, the Juniors maintained a steady pace forward, as exemplified by their active participation in sports, continual support of student government and their enthusiastic attendance at social events.

Every class social function has been an unqualified success from the "Oakie Stomp" to the Junior Prom with exemplary behavior and good times existing side by side. Additional class activities have moulded the Juniors into a cohesive whole, proving the men of '62 capable of overcoming their greatest obstacle—disunity.

With a background of accomplishment and ever-increasing spirit, the Class of '62 looks forward to assuming its position of leadership at Santa Clara next year.

Ed Hendricks
Sophomore Class President

Paul Hamilton, treasurer; Mike King, secretary; Bob Walker, sergeant-at-arms; Rick Ernst, vice president.

Class of '63

The dynamic Sophomore Class displayed overwhelming enthusiasm not only in athletic endeavors but also in many diversified academic fields. Under the capable leadership of President Ed Hendricks and his officers, the class established a distinguished reputation for contributing much to the social life of the University.

After one of the most well conducted initiations in the history of the school, the class went on to sponsor all of the Student Body mixers and numerous socials and the Fall Exclusive.

The Spring Semester was highlighted by the Sophomore Exclusive which was not only the most successful dance of the year but most enjoyable. Other notable events dotted the social calendar including the hayride and a class picnic.

Class of '64

Truly the Class of 1964 is a remarkable one. Throughout the year it has excelled academically, athletically and in politics. The trends for the class were aptly set by the five class officers who individually did a great job in uniting the class to make it an outstanding one.

Under the able leadership of president John Egenolf and vice-president Jack Hardy, the class of '64 enjoyed a social calendar of events far surpassing that of many freshman classes of the past. The class was efficiently represented in the ASUSC Senate and every member of the class knew he could turn to any one of the class officers for help.

The Class of '64 has made a niche for itself and is well on its way to becoming one of the best in University history.

RESERVE OFFICERS TRAINING CORPS

Colonel William P. Whelihan
Professor of Military Science and Tactics

It has been only four short years since Colonel William P. Whelihan arrived at Santa Clara to assume command of its Reserve Officers Training program, but in this short space of time he has devoted himself constantly and wholeheartedly to perfecting our military establishment. It would be an understatement to remark that he has succeeded. For thanks to his tireless efforts the Santa Clara R.O.T.C. program possesses a name and record that is respected, admired and envied in military circles. As Colonel Whelihan departs this year, the University and the Cadet Corps thank him and wish him the best of success in his new assignment.

A. S. U. S. C. PRESIDENT

Jerry Kerr

Under the admirable direction of President Kerr and his able "machine", student government enjoyed an eventful and prosperous year. Strong leadership and successful politics were everywhere apparent.

Spearheaded by Kerr's unique Activities Fee Program, the Student Body enjoyed probably the most ample and diverse program of liberal legislation. A milestone has been achieved in the subsidizing of all campus organizations, committees and classes. Student government has attained a pinnacle of power never before realized. This program strengthened by other innovations in policies were debated and enacted by this year's active Senate.

Student Court

This year the Student Court convened on several occasions and its most notable work was the prosecution of those students who did not pay their student activity fee. Pete Lillevand served as Chief Justice with Dan Shellooe and F. X. McLellan as Associate Justices. Bob Florian was defense counsel and Tony Varni assumed the role of prosecutor while Carl Munding was overall coordinator of the business of the Court.

Lecture Series

Hampered by the absence of a budget and a faculty moderator, this Committee none the less brought two fine speakers to Santa Clara in the 1960-1961 academic year. General Alfred Gruenther, retired NATO commander-in-chief and present head of the American Red Cross, delivered a September address on his impressions gathered on a tour of the Soviet Union. The Committee also initiated the negotiations which brought California's senior United States Senator Thomas Kuchel to campus for a midday lecture early in the second semester.

All other activities of the Committee were co-operative endeavors undertaken in support of the Cross Currents Club.

Problems

The Problems Committee is the Student Body's answer to the ancient Jewish Wailing Wall. It is a progressive liberal-minded organization which functions to seek out and offer solutions to the various domestic, social and academic problems which beset the Student Body at large.

Standing: Dennis Burke, Bill Moher, Tony Kast, John Egenolf, Pete Smith. Seated: Rich Bell, Bill Murphy, Ed Middendorf, Adrian Bozzolo, John Hedberg, Chuck Witchurch.

Election

This Committee, usually a smoothly run organization, encountered a major snag during the '61 campaign. These were serious accusations from one of the presidential candidates challenging the partiality of the Committee during the election. But with the quick thinking "Seal" in charge, the Committee's position was clearly and concisely stated and no further trouble ensued. Thus the elections were carried to a conclusion in an orderly fashion.

This Committee is designed primarily to help counsel students with academic questions and secondarily to direct them in their social adjustment. The members of the Committee worked through existing campus organizations to obtain and direct advisors for specific major fields.

Student Recruiting

This Committee works in conjunction with the Administration to further the attempt to reach and enliven the interest of those students of high academic scholarship in high school. Its program consists of a high school Junior-Senior Day to acquaint them with Santa Clara's professors, students and with the campus. The members personally speak at all the Catholic high schools in the State of California.

This P.A. combo is the group responsible for publicizing the activities in which the University is engaged. It is recognized as one of the outlets for displaying Santa Clara's unique reputation.

The purpose of this Committee is to advertise to the students those activities occurring in the immediate area which are pertinent to the general Student Body. Some of its duties are to post interview schedules and bulletins, service orientation notifications, minor sports events and other notices touching ASUSC on-campus activities.

As was apparent from the success of the Arts & Science Ball this spring, throughout the year this Committee toiled to render the Student Body an unsurpassed dance. The revelry enjoyed by the overflow crowd was a tribute to the efforts of the select and studious group of artsmen pictured above.

Another function of this sophisticated Committee is to co-ordinate the Arts College and act as liaison between the Administration and the aspiring students of the College.

Initiation week is an event that remains in the mind of each freshman for the rest of his stay at the Mission Campus for it is in this period that these neophytes are taught to know and respect the Santa Clara way of life. It was through the efforts of this Committee that this task was partially fulfilled.

Rally

The Rally Committee is composed of a small group of students organized with the objective of creating spirit and enthusiasm for Santa Clara sports activities. Because the traditional Bronco spirit has always been high, this Committee had it made.

Co-Chairmen
Phil Bannan Joe Dooling

Intramural

The main function of this Committee is to give the men of Santa Clara recreational release in the form of organized sports program with a competitive spirit. The Committee went "out on a limb" this year by adding volleyball to the intramural curriculum. However the new sport was met with great interest and success.

Minor Sports

The purpose of this Committee is to represent minor sports and insure the excellence due the University. This year it has taken steps to raise minor sports to a height representative of Santa Clara by initiating a program which will, it is hoped, inspire recognition on all levels of participation and consequently also insure a higher degree of athletic achievement.

This was a year of change for *The Santa Clara*. After the first two issues in September, Dan Flynn resigned as editor in chief, and was succeeded by the former executive editor, Bill Goggin. Under Goggin the paper made several technical innovations to improve typography and production. Working under Goggin for the first semester were Paul Caro, managing editor; Steve Kent, news editor; Jack Ludwigson and Tony Diepenbrock, sports editor. Rick Ernst headed the financial end as business manager, assisted by Roy Schoepf, advertising manager and Jim Clark, circulation manager.

Caro took over the position as editor in chief at the beginning of the second semester, while Kent became managing editor. Rich Meyer was named news editor, Dan Parr and Dan Buckley sports editors and Louie Belmonte took over the feature pages.

The new staff brought about many changes. With the "new look" the first extra was published and the first morning and evening editions took the stands.

The Red Hat Band chalked up another terrific year although hampered by the loss of some of its members. The band travelled with the basketball team to Reno where it drew rave notices in the local papers. The Variety Show and football rallies provided further opportunities to display its talent. Lively dixieland renditions at the basketball games occasionally helped pick up lagging Bronco spirit and made many friends for the University.

The purpose of the Ski Club is to stimulate interest in skiing, to facilitate transportation to ski areas, obtain seasonal accommodations for its members and teach the art of skiing to interested students.

The Ski Club had thirty paid members this year, an increase of 50% over last year's total. Its inter-semester ski trip to Squaw Valley was a tremendous success. The skiing was excellent and the social life outstanding.

Charles Graham Club

A now famous Charlie Graham Smoker

Although 1960-61 witnessed only the second year of life for the Charles Graham Club, it showed itself to be an important one for this campus club. Designed to fulfill the need for publicity for major and minor sports, Charles Graham used schedules, bulletin boards and hand-outs to inform the Student Body of coming sports events. The club has also gained recognition as tops in the field of social activities. Its smokers have taken on a legendary hue and informal parties have received campus-wide attention.

Galtes Society

Kneeling: Rea, Baker. Sitting: Johnston, Gonsalves, Chiala, Scherer, Miraglia, Yamamoto, Larrabee.

Tom Hall
President

The Galtes Society is made up of Chemistry majors and has for its object the encouragement of the students to take an interest not only in the study of Chemistry but also in the professional side of their chosen careers. This end is accomplished by movies, guest lectures and field trips.

Forensic Society

First Row: Bugbee, Baedeker, Caton. Second Row: Harney, Martin, Walker, Callaghan.

**Dan Baedeker
President**

The Forensic Society was a young one this year with only three veterans returning from last year's squad. The novice debaters had a successful season none the less with the team of Walker and Harney winning second place at the College of San Mateo Novice Tournament. The senior debaters, Caton, Baedeker and Belmonte managed to hand defeat to the underclassmen in the Ryland Debate with Caton snaring the Ryland Prize. Santa Clara continued to dominate St. Mary's in the Foch Debate with Baedeker taking the Foch Medal for the second year in a row.

INTERNATIONAL RELATIONS CLUB

Tom Nolan
President

This formerly inactive organization was revitalized this year by its current president Tom Nolan. Seeing the potential of the club, Tom soon had the group functioning smoothly. Guest speakers became a regular occurrence and a field trip to Sacramento to see government in action was the year's highlight.

Blackstone Society

First Row: Bridges, Gallagher, Hass, Toussaint, Castelazo. Second Row: Wissing, Callaghan, Tinney, Haran, Azevedo, Giannini, De Ruosi. Third Row: Studdert, Hovee, Brigham, Branson, Ravano, Murphy.

The Blackstone Pre-Legal Society is composed of undergraduate students who aspire to law school and wish to acquaint themselves with the general duties of the profession before beginning graduate work.

The various activities of the organization include meetings in which prominent members of the legal profession explore various fields of law, field trips and special lectures by members of the faculty of the School of Law.

In order to facilitate the transition from undergraduate to law school, the Blackstone members are included in several activities of the School of Law.

**Terry Bridges

Engineering Society

First Row: Murray, Grant, Davi, Sherman, Reghitto, Kenefick, Bugbee. Second Row: Cushman, Corsiglia, Lyons, Sweeney, Pardo, Nishikawa, Aguiar, Walsh, Bozzolo, Pena, Santina, McCrory. Third Row: Kirchhoff, De Vita, Peters, Mark, Kirby, Carey, Mitchell, Reiche, Le Vasseur, Palladino, Ahern. Fourth Row: Corpuz, Abrahamsen, Laden, Bell, Meares, Oliver, O'Rourke, Capitolo, Nelson, Wilson, Campbell, Olivera, Wagner, Glienke, George, Donahoe, Fantham, Bruce.

The Engineering Society was established to supplement the education of the engineering student and to promote spirit and friendship among the various divisions and classes of engineers at Santa Clara. In fulfilling the first of these purposes, guest speakers were invited to address the society on topics of current engineering interest. The Engineers Field Trip held early in May gave the engineers a chance to see engineering in action. The Open House Competition held in conjunction with Parents Day provided an opportunity to demonstrate individual talents and projects.

Dick Sherman
President

Mechanical Engineers

First Row: Abrahamsen, Corpuz, Tucker, Bell. Second Row: Sweeney, Kirby, Kirchhoff, Grant, Thompson, Glienke, Pardo, Corsiglia.

Vic Corsiglia
President

The Mechanical Engineering Society was built around the idea that as much can be gained from personal experience and the experiences of others in the field as from text books and classes. The organization has therefore spent most of its time arranging for guest speakers and planning field trips. New machines and techniques were explained to the members at their monthly meetings and excursions to shops in the area gave studying a new perspective.

Mike Ronco
President

This organization is open to all students majoring in Civil Engineering and has for its goal the further education of the students by exposure to practical problems in engineering through a lecture series. The first semester saw speakers from Bechtel Corporation and other large firms discuss topics from nuclear power to sewage treatment in the Santa Clara Valley.

During the second semester talks on the Collection and Analysis of Stream Flow Data, the Structural Analysis of a Radar Tower and the Humboldt Reaction Cassions were presented to the society. The talks were all delivered by prominent men in the field of civil engineering.

Civil Engineers

First Row: Pisano, Santina, Woodward, Pace, Pena, Walsh, Kenton, Knopf, Nomellini, Crowley. Second Row: Asta, Jacobs, Aquiar, Eppler, Retana, Brown, Olivera. Third Row: O' Laughlin, Ryan, Baratta, Carraro, Ronco, Bruce, Ramos

In an area in which rapid advances and new developments are a matter of every day occurrence, close contact with the field at large is an absolute necessity. The AIEE-IRE fulfilled this need by obtaining speakers for its members from Lockheed Radiation Laboratory, Hewlett-Packard and Lenkurt. The unity and spirit of the club was emphasized by the way in which the members worked to produce the Open House exhibit which won praise from all quarters.

Fred Styles
President

Electrical Engineers

First Row: Riley, Mooney, Gallagher, Hannigan. Second Row: Coughlin, Morrissey, Gallagher, Anglin, Jacobs, Cook, Lyons. Third Row: Gallagher, Rohe, Kramer, Glueck, Haggerty, Dobel, Munday, Downey, Butler, Cragin. Fourth Row: Houweling, Barron, Coughlin, Guest, Murphy.

James Mooney
President

Irish Club

Although not a great power on the Bronco campus, the Irish Club did function very smoothly this year. Jim Mooney and Mike Hensch, co-founders of this organization, raised the club from the state of apathy into which it had fallen by providing a good measure of social activities. A smoker and the annual Irish vs. Italian softball game were very successful. The election of Bill Murphy as next year's president promises much more for the Irish next year.

Physics Society

Deriving its members from physics majors, the purpose of this society is to stimulate interest in this field by scheduling informative lectures and movies on topics of current interest. It is hoped that through these means the members will receive the latest information on recent trends and developments in their chosen fields.

James Lonergan

Cross Currents

This year the Cross Currents Club continued its function of bringing controversial speakers to the Mission campus. Among its presentations were a Buddhist monk speaking on Zen Buddhism, Dr. Cseflaw Milosz describing the crisis of European Christianity as seen in the works of Simone Weil, a panel discussion of "Authority, Revolt and Problems of Discipline" headed by a Bay Area psychologist. Perhaps the most lively event of the year was the showing of the controversial movie "Operation Abolition," followed by a debate on the House Un-American Activities Committee.

The second semester witnessed a discussion between Mr. Foster of the Political Science Department and Fr. Mackin of the Theology Department on the relative merits of ethical systems. One week later the Club presented Senor Walso Estrada, a Cuban freedom fighter. The year closed with the presentation of the second annual Cross Currents Award to Mr. Alexander Kerensky, Russian head of state for six months after the revolution of March, 1917.

This year was a memorable one for the Santa Clara Glee Club for it saw the group come into its own. Up to this point, the organization was literally fighting for existence. 1960-61 was marked by a number of concerts that showed that the club has passed through its infancy and has reached maturity.

The season was capped by a concert featuring the combined Notre Dame College and Santa Clara Glee Clubs which was so successful that it has been recorded.

First Row: Aguiar, Schrader, Sweeney, Norbriga, Corboy. **Second Row:** Marn, McGourin, Tsushima, Magdlen, Peters. **Third Row:** Murakami.

Under the leadership of Mel Murakami, the Hawaiian Club basked in its most fruitful year. The club had its largest membership in five years, thus making more activities possible.

The annual Hawaiian Night Mixer was a howling success and the final event of the year, a luau at the home of Gary Nobriga, was an event that must be repeated.

Thomist Society

Sitting: Willett, Havens, Bannan, Musante, Abrahamsen. Standing: Samuelson, Diepenbrock.

The sole purpose of the Thomist Society is to further appreciation of Thomistic philosophy. It is known on the Mission campus as the one organization that restricts its activities to the purely intellectual.

Under the leadership of philosophy major Jack Gallagher, the club spent the year preparing a condensed version of the *Summa Theologica* for engineering majors.

Catechetical Society

Under the direction of Father Tom Sullivan, the Catechetical Society broadened its scope and brought religious instruction weekly to over two hundred children throughout the year. Operating on a strictly volunteer basis, the Society provides teachers for the public school children in the area who would otherwise go uninstructed for lack of trained personnel. These men are a living proof that Santa Clara does fulfil her motto and "mould men after the image of the Man-God."

"To mould men after the image of the Man-God"

The Sodality is an apostolic group which attempt to work student intellectual and social attitude along Christian lines and which calls its members to a rigorous spiritual life of daily Mass, rosary and mental prayer. The Sodality's overall aim is to develop distinguished professional men who can effectively Christianize their environment.

Beginning in September with a closed five-day retreat, the Sodality had a great year under the direction of Father McAuliffe. The traditional mission drive, nocturnal adoration, October and May rosaries were continued this year and a daily Dialogue Mass was initiated.

Together with apostolic work the Sodality carried on its normal social activities with several beach parties, a dinner dance and ski trip.

The 1960-61 academic year included one of the most successful seasons in the history of the Clay M. Greene Players. "Macbeth," "Three Men on a Horse" and "Harvest of Thorns" all took shape under the direction of William James and the near-professional acting of The Players.

Also on the calendar were cast parties after each production, a champagne reception at the close of "Macbeth" and a final banquet at which awards were presented for the best actor and supporting actor of the season.

Fred Barson and Ed Seidler headed the organization in the first and second semesters.

The Archaeological Society has as its main activity the removal of artifacts, bones and other materials from mounds left by the California Indians. Together with the removal and classification of these items, the Society organizes trips of an archaeological or historical nature for the benefit of its members.

Under the able leadership of its two faculty advisors, Mr. Warburten and Doctor Flaim, the group has held a variety of activities during the past year. These included several "digs" in the Bay area, a week-end exploration of the coastal dunes of Anno Nuevo, presentation of a documentary film on Eskimo life and a two day archaeological site survey. This trip answered a request from the California Historical Department to explore two sections in the Monterey area which work will assist a future program to widen the highway.

The Owl Magazine is the oldest college literary quarterly on the west coast. For its staff, it provides the opportunity to become practiced in the art of managing all phases of publication. For the Student Body, the Owl serves two purposes: to student writers, it offers a board of critics and an opportunity to have their literary work appear in print. To all students, it affords local literary diversion four times during the academic year.

Included in the membership of this National Jesuit Honor Society are two students from each of the colleges of the University who have distinguished themselves in qualities of scholarship, loyalty and service.

The function of the Society is to investigate academic problems and make recommendations to the Administration. Research on an Honor Code was the major task of the year. In addition, three committees devoted time to other problems. One group interested in the development of a Humanities major was invited to make its suggestions known to the University's Master Plan Committee. Another sought curricular and extra-curricular means of increasing student awareness of contemporary conditions. The third planned a revised system of teacher evaluation.

Santa Clara's Zeta Chapter of Tau Beta Pi, the National Engineering Honor Society has now been in existence for six years. Although relatively young, the fraternity has distinguished itself by service on campus.

During the past year it has sponsored lectures so that students at large might obtain a better understanding of the importance engineering holds on campus and in the world.

Kappa Zeta Phi is one of the more active organizations on the Santa Clara campus. Drawing its members from all colleges, its primary purpose is to provide service to the University. The brothers acted as ushers at all the football and basketball games, Open House, Family Day and at several other events.

The fraternity men also conducted tours for more than three thousand visitors to the Mission Campus during the year.

In the realm of social activities, Kappa Zeta Phi sponsored a number of smokers and informal parties, two pledge banquets and a dinner dance.

SCU-35 PEPPERDINE-28

Santa Clara, Oct. 15—Santa Clara scored its first victory of the young season when it knocked off Pepperdine's Waves 35-28 at Townsend Field.

The Broncos showed that they could generate an offense by gaining 521 yards overall. This was a team victory with an outstanding effort displayed in all departments.

Fullback John Komes looked impressive as the Broncos scored the first time they had possession of the ball and thereafter completely dominated the first half of play scoring four times to lead 29-7 at the intermission. Coach Pat Malley termed this "the finest half we've played in two years."

After a scoreless third period the Waves posted 21 points on the board in the final stanza in an effort to cut down the lead which later proved to be insurmountable.

Sophomore John Mac Donald scored the lone Bronco TD of the second half on a 45-yard sweep around right end and this was all the insurance S.C. needed as the gun sounded with the final score reading 35-28.

SCU-13 POMONA-15

Santa Clara, Oct. 1—Pomona's Sagehens looked impressive on only two plays against the Broncos but these provided the margin of victory.

With three minutes to go in the first quarter, Pomona intercepted Ron Calcagno's pass on the Bronco 32 yard-line and ran it into the end-zone to take an 8-0 lead after the 2 point conversion.

In the second period the Missionmen moved the ball to their own 48 yard-line and Jean Ashton raced 52 yards off right tackle to pull S.C. within 2 points at the half.

Joe Franzia scored the Broncos' second counter taking a reverse from Don Robitaille and skirting left end for 11 yards. The score read 13-8 at the end of the third period.

In the fourth quarter, with 1:20 remaining on the scoreboard, Pomona completed a 62 yard pass play which broke the Broncos' back. The extra point made it 15-13 at the gun.

SCU-42 EL TORO MARINES-6

When the El Toro Marines came to Townsend Field, they wished they had never left the base as the host Broncos walloped them 42-6. With Little All-American candidate John Komes leading the barrage, the Broncos were never headed after they jumped off to a quick 14 point lead. From that point on, with Calcagno passing and Komes running, the Mission City eleven were never in trouble. Bob Cicchi picked off two Calcagno aerials for touchdowns while Joe Franzia and Jean Aston hit paydirt. The El Toro game found the Broncos playing their finest offensive game of the year.

SCU-20 SOUTHERN OREGON-26

Santa Clara, Nov. 11—Dan Robitaille returned the opening kick-off 52 yards and John Komes scored three plays later on a 34 yard run and the Broncos led 6-0 with one minute having elapsed in the game. One play later the score was tied at 6-6 as Oregon returned the kick 89 yards for the score. The teams again exchanged touchdowns and the score after one period of play was 12-12.

In the second quarter the Raiders moved to the Bronc's eleven and ran it over to put them ahead 20-12 after the two point conversion play.

The third period found the Oregonians scoring again but this time the try for point was no good.

The Broncos were able to execute a sustained march in the fourth quarter capped by Ron Calcagno's 15 yard aerial to half-back John Mac Donald. Joe Franzia skirted right end for the two points but time ran out on the Missionmen before they could do any more scoring.

Although decided underdogs, the Broncos led the Hornets 8 to 7 with less than two minutes remaining in the game. A final march of 67 yards in 12 plays by State, however, left 3,000 Spartan Stadium fans disappointed as the gun went off.

The Hornets had opened the scoring early in the contest but, after two scoreless periods, the Broncos bounced back with a 59 yard pass play from Calcagno to Cicchi which ended on the Sacramento ten yard line. Four plays later Gene Ashton bulled his way over for the touchdown from one yard out. A pass from Calcagno to Cicchi produced the two point conversion to put Santa Clara in the lead 8 to 7.

Cicchi, Ashton and Komes were singled out as the outstanding backs of the game, while every Bronco lineman rendered tremendous efforts against far meatier foes. These valiant 'Davids' gained the accolade of their opponents as being the hardest-hitting team faced all year—another tribute to the coaching of Pat Malley and his staff and the spirit they have instilled throughout the year.

Another hard-hitting Bronco to be around for three more years — Joe Franzia.

SCU-28 CAL-WESTERN-17

Santa Clara, Nov. 19 — Fullback John Komes scored two touchdowns to lead the Broncos to a 28-17 victory over Cal-Western and a successful finish to a mediocre season.

Santa Clara drove to Western's three yard line early in the first quarter and Joe Franzia plunged over for the score. Komes scored twice on runs of six and eight yards as he and the rest of the Bronco offensive unit rolled up 412 yards for the game.

The other TD was scored by Bob Cicchi who was on the receiving end of a Ron Calcagno pass.

With this victory, the men from Mission Town evened their seasonal record at 3-3. Great things are expected from Santa Clara on the gridiron in the coming years and advance scheduling reveals competition of a high calibre.

Co-Captain Pete Lillevand

Co-Captain Denis McGrath

The Broncos were co-captained by two fine seniors, Pete Lillevand and Denis McGrath. Both men were outstanding leaders on court, providing the steadying influence on the less experienced sophs. The effectiveness of their leadership was reflected in the poise and class demonstrated by these same sophs as the Broncos swept their last five games in a row and led the nation in defense.

Lillevand, a five foot nine inch crowd pleaser, directed strategy from the back court. His greatest assets were his dribbling and driving ability and an excellent set shot. McGrath, a hustling reserve for the past two seasons, blossomed into one of Coach Feerick's strongest starters. Denny did just about everything well, possessing a keen eye from outside, good moves underneath and extremely rugged rebounding ability.

MIAMI GAME

In their first intersectional game of the season, the Broncos upset highly touted Miami University, 66-65. The Hurricanes led by all-American Dick Hickox and sensational Ron Godfrey put on an impressive show but couldn't match the efforts of Pete Lillevand and his teammates. Pete was all over the court on defense and scored 21 points to lead Bronco scoring. He canned four clutch free throws in the last few minutes to give Santa Clara one of its most thrilling victories of the year.

PROVIDENCE GAME

A disastrous five minute cold stretch in which Santa Clara failed to score a field goal enabled Providence College to garner a 65-59 win over the Broncos. The Friars, eventual champions of the National Invitational Tournament, possessed one of the finest ball players to perform in the Civic all season in John Egan who put through 25 points on a variety of spectacular drives and jump shots which had the Bronco defense baffled and the capacity crowd gasping. The Broncos put on a fine rally in the second half, but time ran out before they could forge ahead. Sophomore Gene Shields led the Santa Clara scoring with 14 points.

CONFERENCE

USF SERIES

The Broncos opened up their series with traditional rival, USF on a sour note, dropping a tight 50-44 decision in the WCAC Tournament in San Francisco over the Christmas holidays. However, they more than avenged this loss by dumping the Dons twice in regular conference play by scores of 51-45 and 51-39. Sophomore Joe Weiss was a stand-out in the twin victories both in the scoring and rebounding departments.

SAN JOSE STATE SERIES

The Broncs and the Spartans met three times during the season and Santa Clara came out on top on all occasions. In the WCAC Tourney, the cross town foes were defeated 48-42. Regular season play was highlighted by two tight defensive battles, the Broncs easily winning the first affair by a 45-31 score. The second game will never be forgotten. With five seconds to go Santa Clara grabbed the ball and was trailing by the amazingly low score of 29-28. Big Gene Shields took possession, and with one second to go, fired up a twenty-five foot hook shot which touched nothing but the bottom of the net to give SC one of the year's most satisfying victories.

ST. MARY'S SERIES

A split was the best Santa Clara could get from St. Mary's in WCAC play this season as they dropped a close 52-56 decision to the Gaels in the Oakland Auditorium but bounced back in the return contest to topple the men from Moraga by a 60-53 score in San Jose. McGee, Weiss and Shields all scored in the double figures to lead the Bronco comeback.

PEPPERDINE SERIES

Despite an unimpressive record in WCAC play, Pepperdine gave the Bronco men no end of trouble. In the first contest played at the Civic, the Waves faced a cold Santa Clara offense, but were held in check themselves as the Broncs hung on for a close 43-40 win. On the trip south, the situation reversed itself as the Peps caught the Missioners at a low ebb and disposed of them by a score of 67-56.

U.O.P. SERIES

UOP failed to make a strong showing in any of its three games against Santa Clara. The Tigers were defeated 50-44 in the WCAC tournament and in league play they came out on the short end of 71-38 and 54-40 scores. Leroy Jackson provided the big punch against the Stockton boys with two fine scoring outputs and excellent board work.

LOYOLA SERIES

Loyola could do no wrong this season as Billy Donovan finished his eight year reign over the Lions with the WCCAC Championship, refusing to share the honor with Coach Feerick as he did last year.

In the north and the south meetings, Donovan's del Rey-men outspirited the Silver Fox's boys with 65-60 and 68-33 victories.

BASEBALL

Returning as mentor of the Santa Clara baseball team after a ten year leave of absence, Coach John (Paddy) Cottrell impressed all who associated with him. An astute scholar of baseball technique, Paddy worked hard in developing his youthful ball club which was composed primarily of underclassmen. Despite a mediocre record, interest in baseball was never keener at Santa Clara as evidenced by the large attendance which consistently turned out to watch the daring and colorful Broncos. They were exciting even in defeat. Paddy will hit pay dirt with these boys next year for sure.

Captain Ned Brown

Dick Polhamus

As must be the case every Spring, the baseball team lost the services of six fine seniors through graduation. The pitching staff will miss the fireballing transfer Dick Polhamus and three year veteran Dick Williams. Gone too will be F. X. (Bubs) McLellan, outstanding left fielder who led all Bronco hitters until the final week of CIBA action.

Power hitting outfielder and pinch hitter Bob Polhamus likewise goes the graduation route with his brother. His pinch home runs on two occasions proved his value in the clutch.

The final two familiar faces to leave the Bronco lineup are first baseman Denny McGrath, one of the league's finest fielders and captain Ned Brown — All-CIBA catcher.

Dick Williams

F. X. McLellan

Ernie Fazio, Ken Flanagan, John Boccabella, John Giovanola.

Heading the list of returning candidates for Coach Cattrell's 1962 nine are these five anchors of this year's squad. Probably the flashiest ball player to hit the Mission Campus in many years is the sensational sophomore shortstop Ernie Fazio. Blessed with both great hitting and fielding ability, Fazio was unanimous choice for All-CIBA honors in his initial year in a varsity uniform.

Outfielder-first baseman Ken Flanagan is one great reliable solid citizen on the squad. As a soph, he hit well, fielded like a triple A boy and showed he will not be out of any lineup the next two years.

John Boccabella, third base man, wielded the most powerful bat on the squad. A dangerous slugging threat whenever he went to bat, Boc is a definite pro prospect.

John Giovanola was one of the three most dangerous base runners as well as a sharp second bagger.

Mickey McDermott will play his last year next season and his departure will leave a crater in center field. An all-around ball player, Mick is undoubtedly the most colorful performer on the bench. He will stabilize the outfield next year as he has done for the past two seasons.

Mickey McDermott

THE MOUND STAFF

George Cattermole, Larry Laughlin, Reno Di Bono, Dick Williams, Dan Korbel, Bob Benton

The Bronco pitching staff was youthful this season as three of the first line pitchers were sophomores, but they came through remarkably well. The club will lose only two pitchers via graduation, Dick Williams and Dick Polhamus, but their loss will be hard felt.

Polhamus closed the season for the Broncos defeating Stanford 4-0 in a sterling two-hit performance. Williams' finest performance of the season was a brilliant 8-3 victory over a power packed California team.

C.I.B.A.

While the season was not a success from the win-loss standpoint, it definitely was a rebuilding year for Paddy Cottrell's Broncos. One encouraging note was that the Broncos defeated each team in the league at least once this year.

Another hopeful characteristic was the amazing comeback power. Against U.C.L.A., they came back and tied the game in the 9th, 11th and 13th inning before finally getting the go-ahead run in the 14th inning.

The next couple of years will be harvest ones for the Broncos. An excellent coach and a baseball team loaded with desire and ability will make Santa Clara a West Coast powerhouse.

BOXING

This year's team was composed mainly of novice boxers who found the C. C. B. C. competition stiff indeed. Coached by Duke Drake and Dave Nelson, the youthful crew fought an uphill battle all the way, gaining little more than experience. The real success of this year's squad might very well be found in the future.

John Willett, Senior Captain, was the first person in Santa Clara's boxing history to receive All American honors.

The Santa Clara golf team remained W.C.A.C. champs as it successfully defended its title in Los Angeles this year. The victory made the Broncos the league champions for the third straight year. In the dual matches this season, the Broncos posted a 10-3 record against the top teams of the area. Mainstays on this year's team were again Captain Bob Callan, senior, along with juniors Mitch Secondo and Bill Beasley. Also very prominent in the successful season were senior Norm Padilla and freshmen Lynn Yturri and Ken Spadoni.
